Phone: +1 737-307-8672  
Website: <https://www.calendarjet.com/>

**Description:**

Calendar Jet is an AI-powered scheduling platform that eliminates the back-and-forth of booking meetings. Users create customizable booking pages, set their availability, and share links with clients who can instantly schedule appointments. The platform integrates seamlessly with Google Calendar, Zoom, and other tools to automate meeting creation and reminders. Features include vacation mode, team scheduling, custom branding, contact management, and analytics.
