919 295 9361 About Our Raleigh HVAC Company

Providing Heating, Air Conditioning & Refrigeration Services Since 2003 Our team at

R & S Mechanical, Home of the Comfort Guy expert HVAC & Refrigeration Services

was founded by Sandy Lamarre, a former pro hockey player with experience and

knowledge of business management and Randy Lee, a former regional general

manager of a local ice rink business. The two linked up and developed skill sets to

serve both homes and commercial properties. We have built up our business to be

properly insured, licensed, and bonded to make sure that our customers are receiving the best quality service they can. All of our technicians go through detailed training throughout the year to ensure that we are maintaining our high standards.

How We Set Ourselves Apart from Other HVAC Companies

We are focused on making sure you receive outstanding quality by: Having more than 100 years of combined experienced

Communicating with our customers before and during service
